High Efficiency & Comfort SOLUTIONS

To provide a comfortable indoor environment

For LIGHT COMMERCIAL

We offer comfortable and economical air conditioning systems focused on small to medium-sized buildings.

For RESIDENTIAL

We provide smart air conditioning systems with a wide range of control options for comfortable control and convenient use.

SPLIT AIR CONDITIONING

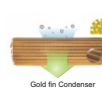

KS-9TFS (1HP 9000 Btu/h)

KS-12TFS (1.5HP 12000 Btu/h)

KS-18TFS (2HP 18000 Btu/h)

R410A Gas | Big Outdoor Engine | Anti-Rust Cabinet |
Gold Fin Condenser | Independent Dehumidification |
Auto Restart Function

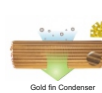

KS-9MFS(1HP 9000 Btu/h)

KS-12MFS(1.5HP 12000 Btu/h)

KS-18MFS (2HP 18000 Btu/h)

R410A Gas | Big Outdoor Engine | Anti-Rust Cabinet |
Gold Fin Condenser | Independent Dehumidification |
Auto Restart Function

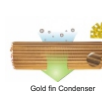

KS-9RVF(1HP 9000 Btu/h)

KS-12RVF (1.5HP 12000 Btu/h)

KS-18RVF (2HP 18000 Btu/h)

R410A Gas | Big Outdoor Engine | Anti-Rust Cabinet |
Gold Fin Condenser | Independent Dehumidification |
Auto Restart Function

WINDOW AIR CONDITIONING

KS-C121W (1HP 9000 Btu/h)

KS-C181W (2HP 18000 Btu/h)

KS-T9W (1HP 9000 Btu/h)

KS-T181 (2HP 18000 Btu/h)

Energy Rating: 5 Star | LCD remote to turn on and off the AC
Digital display for easier operation | Auto restart post power outages
Anti Corrosion Protection | Energy Saving Function

SPLIT AIR CONDITIONING

KS-9MNV (1HP 9000 Btu/h)

KS-12MNV(1.5HP 12000 Btu/h)

KS-18MNV (2HP 18000 Btu/h)

R410 Gas | Ionizer Filter | Inverter | Energy Savings
Grades Indoor Fan Speed | Auto Restart Function
Blue Fin Condenser

INVERTER

KS-9VFN (1HP 9000 Btu/h)

KS-12VFN (1.5HP 12000 Btu/h)

KS-18VFN (2HP 18000 Btu/h)

R410 Gas | Ionizer Filter | Inverter | Energy Savings
Grades Indoor Fan Speed | Auto Restart Function
Blue Fin Condenser

INVERTER

KS-9TNV (1HP 9000 Btu/h)

KS-12TNV (1.5HP 12000 Btu/h)

KS-18TNV (2HP 18000 Btu/h)

R410 Gas | Ionizer Filter | Inverter | Energy Savings
Grades Indoor Fan Speed | Auto Restart Function
Blue Fin Condenser

INVERTER

INVERTER TECHNOLOGY

Inverter Air Conditioners come with Variable Tonnage Technology which reduces energy consumption and provides faster cooling. Kenstar Air Conditioner is crafted to ensure you an overwhelming experience and better life - total protection, maximum savings and complete comfort.

Lifting Easy-clean Panel | Super Slim design
| Blue Fin Condenser

Wide angle and long distance air supply
Easy installation and maintenance
Remote control standard Screen Control Optional
Two speed | R410 Gas | Blue fin Condenser

Kenstar Electric Refrigeration – the Ultimate in Technology and Style

KenStar
...quality you can trust

Supercool Freezing

Specifically designed to maximise
taste and maintain food texture
and quality. Supercool Freezing ensures
food is frozen evenly, locking in moisture and
minimising cell destruction.

FREEDOM IN YOUR KITCHEN

We know cooking needs talent and intuition, but freedom is also needed to reach the best results. That is why we have created a Range of Gas & Electric

Features

Close Door Grilling

KENSTAR CLOSE DOOR GRILLING lets you grill keeping the oven door safely closed. Grilling with oven door closed assists in faster cooking as it keeps all the heat inside the oven resulting in a perfect grilling.

Exclusive Design

TEKA FREE STANDING COOKERS ARE DESIGNED FOR A TOUCH OF CLASS INCLUDING EXCLUSIVE knob.

Accessories

Kenstar Cookers comes with extra features to enhance your cooking experience:

Turnspit: Prefer for grilling whole chicken and to achieve best grilling result.

Telescopic Tray Guide: Allowing the tray to completely extend out of the oven for maximum safety.

Deep Tray: Allowing you to cook larger dishes for the whole family all at once.

GC-KS-50504G

- * 50 x 50 Free Standing Oven * 4Gas Hobs (Pipe System)
- * Double Burner Gas Oven (1 Knob Control) * Single Glass Oven Door
- * Yellow Wool Cavity Isolation * Enamel Coated Top Grid + Burner Cover
- * Glass Top Lid * Knob With Holder (Washer) * 1 Tray + Wire Shelf
- * Fixed Dishwarmer * Full Black Colour * Ignition + Oven Lamp
